Who we are

Red Planet Music

We are a young company that was born from the analysis of the natural evolution of the business models in the musical publishing branch and its inevitable dependency of the digital technology.

More than a new company we are a modification to the standards of musical publishers.

With a great experience of 30 years in the Business, Edmundo Monroy, head of Edimusa Publishing Group in the past, thinking in the technologies evolution and the modern needs inside the music Publishing area has established

Red Planet Music

, where we offer Publishing services, Publishing Consulting, Contract development and Solutions to Management, Promotion administration and payment of musical catalogues, and subjects related with copyright.

Always with our eyes on the technological future **Red Planet Music** has established in México City.

:: Our Mision:

Our mission is take the management of musical catalogues, the collection and payment of royalties, The Registries on the corresponding societies, the consultant's and the elaboration contracts of representation, administration and cession of rights in a correct and professional way, to represent the author before the different national and international organisms from author rights, to be able to give to the author the tranquility and the time to continue creating and composing without having to worry to administer he himself its registries, payments of royalties and other proceedings.

:: Our Vision:

To get position within the first 5 more important companies in the industry, being offered an ample range of our services, same that allow us to complement those that at the moment we offer, catching of that way the needs of a greater number of potential clients.

:: Our Values:

We do ours, day to day a series of values that allow us to offer a quality service:

- Professionalism
- Honesty
- Service
- Simplicity
